MEF's Taste in Motion

Sunday May 19, 2024

The Maynard Education Foundation's annual fundraiser is back! The Taste in Motion is a wonderful outdoor community event with likeness to the traditional MEF annual Taste fundraiser.

We want YOU to be one of the restaurants showcased!

When: Sunday, May 19, 2 – 5 pm

Where: Downtown Maynard

How Does It Work?

- Downtown restaurants prep and serve the samples outside your storefront - no need to travel to a different location!
- Restaurants located out of downtown will be under tents at the Mill Pond parking lot - the same place that everyone will need to be to pick up their wristbands
- Patrons will purchase wristbands to enjoy sample dishes from area food establishments. If needed, MEF will provide volunteers to support restaurants in checking wristbands.
- Don't forget the Best of The Taste - a competition for best dish/sample.

FAQs

What am I required to do?

You provide the samples and enjoy chatting with the guests. There will be some requirements from the Inspector related to food safety which will be shared closer to the event. Feel free to bring any promotional items.

How many attendees shall I expect?

We anticipate approximately 350 patrons based on attendance from the past two events . Please be aware that weather conditions may impact turnout.

We aren't usually open on Sunday afternoons.

No problem! If you can provide samples and staff, we'd love for you to participate. You may want to post your usual hours so guests are aware for future visits.

What sort of promotion will there be?

In addition to a robust social media campaign, MEF will post signs around town, publicize through the schools, and promote in the media. Send us your logo and social handles. We can't wait to show you off!

What will draw people to the event?

The Taste started in 2002 and has been a beloved community event. Many people come year after year. In addition to restaurants, MEF will have many raffles & music downtown.

What will be provided if I am coming from outside of downtown?

For restaurants located outside of downtown Maynard, we created a centralized location for restaurants to participate-Mill Pond Parking lot. There will be multiple restaurants as well as the MEF tables to draw guests in. We can provide a tent and table if needed. Don't forget to bring a trash barrel to keep our town beautiful.
